EDUCATION

Grinnell College

B.A. in Economics, Concentration in Statistics

Grinnell, IA

Expected May 2029

Relevant Coursework: Applied Econometrics, Statistics, Functional Problem Solving (Computer Science), Calculus, Health Economics

SKILLS

Data: R (tidyverse, ggplot2), Stata, data cleaning, data visualization, Excel

Statistics: regression analysis, hypothesis testing, statistical modeling

Other: staff training and supervision, incident management, client-facing customer service

PROJECTS

Independent Research: Health Outcomes in American Indian and Alaska Native Communities

Grinnell College Economics Department (Prof. Hall)

- Cleaned and evaluated county-level public health and socioeconomic datasets covering 37 reservation counties in R (tidyverse).
- Developed and interpreted four regression models and a t-test to identify the strongest predictors of health outcome disparities.
- Built data visualizations in ggplot2 to communicate statistical results to a non-technical audience.
- Synthesized findings into a written research paper connecting statistical results to policy implications.

EXPERIENCE

Head Lifeguard

Summers 2023 – 2026

City of Fredericksburg

Fredericksburg, TX

- Supervised daily operations of a municipal swimming facility, leading shifts of up to 8 lifeguards while ensuring patron safety and operational efficiency.
- Planned and conducted in-service training for lifeguard staff, covering rescue procedures, certification standards, and emergency scenarios.
- Managed safety incidents in real time, exercising independent judgment when operating without direct supervision.

Shift Lead and Swimming Lesson Instructor

Winter 2022 – Summer 2026

Steven's Wellness Center

Fredericksburg, TX

- Led shift operations at a community gym, delivering customer service to members and resolving daily operational issues.
- Directed facility opening and closing procedures and coordinated with staff to maintain consistent service quality.
- Provided individualized swim instruction to students of all ages, from young children to adults, emphasizing water safety, skill development, and confidence.

ACTIVITIES & LEADERSHIP

Grinnell College, NCAA Track and Field Athlete

Fall 2025 – Present

- Compete as an NCAA sprinter and Grinnell College record holder in three events.

Fredericksburg High School, Team Captain, Track and Field

Fall 2024 – Spring 2025

- Texas UIL State Champion in 100m and school record holder in three events; led teammates in daily practices and race preparation, serving as liaison between athletes and coaching staff.

Volunteer, Student Athletes Leading Social Change (SALSC) and Student Community Outreach (SCO)

- Contribute to community-facing service initiatives through two campus organizations.
